

ENVIRONMENTAL POLICY

ENVIRONMENTAL

Gledhill Constructions Pty Ltd (Gledhill) provides construction and refurbishment of commercial, residential, industrial and institutional buildings. Our environmental management system applies to all operations and services at head office and project sites. Staff and contract workers are expected to comply with the spirit of this documented, implemented and maintained policy in the context of our organisation.

We at Gledhill aim at achieving continual environmental improvement through implementing an AS/NZS ISO 14001 management system with the following commitments:

- To the implementation of environmental objectives;
- To fulfil compliance obligations;
- To work with staff and other interested parties;
- To the protection of the environment through pollution prevention practices;
- In compliance with legal and other requirements and other requirements that relates to our environmental aspects.

The communication and implementation of this publicly available policy to Gledhill workers and others who use the environmental management system to enhance environmental performance.
