

QUALITY POLICY

QUALITY

Gledhill Constructions Pty Ltd (Gledhill) is committed to the implementation of quality principles and practices by the application of a Quality Management System that is appropriate to our purpose and context and supports our strategic direction.

To implement the AS/NZS 9001:2016 quality management system, Gledhill:

- Establishes measurable quality objectives;
- Commits to satisfy applicable requirements;
- Reviews this policy to ensure it remains relevant and appropriate.

The communication and implementation of this policy will ensure Gledhill employees understand and apply it to ensure continual improvement of the quality management system.
