

# WORK HEALTH AND SAFETY POLICY

## WORK HEALTH AND SAFETY

Gledhill Constructions Pty Ltd (Gledhill) is committed to the implementation of work health & safety principles and practices by the application of a WHS Management System that is relevant and appropriate to the nature and scale of Gledhill's operations.

To implement the AS/NZS 45001:2018 Occupational Health and Safety Management System, Gledhill:

- Establishes measurable objectives and targets;
- Commits to consult with workers and their representatives;
- Complies with safety legislation and other requirements; and
- Reviews this policy to ensure it remains relevant and appropriate.

The communication and implementation of this policy will ensure Gledhill employees use the WHS management system to ensure continual improvement in the elimination of hazards and reduction of OH&S risks, resulting in a no lost time injury record.
